TESTIMONIALS

Working with Savannah on a client project was excellent from start to finish. She delivered professional website copy and proofing in a timely manner, as was needed. Her expert input was always helpful, and each point of interaction via email and video conference was delightful. Definitely don't hesitate to work with her!

Chris Adema, Keyhole Production

I highly recommend Sunshine Creatives. Savannah's posts were engaging and attractive, she was very open and responsive to our feedback, her communications with us were always professional, and she went above and beyond to help support our efforts!

Debbie Bruell, Garfield County Democrats

Savannah elevates content with her expertise and creative writing skills. She is a delightful person to work with. Her professionalism and kindness surpass expectations.

Jessica Meath, Jessica Lynn Studios

"Sunshine Creatives" is an appropriate name for Savannah's work. In our meetings, she was always upbeat with positive energy and very creative in taking my ideas and turning them into a branded product that looks great! She has created a much better website for me than I could have ever accomplished on my own. I'm very happy with her work and I'm glad she was referred to me.
